Re: DTE 04-01; Information Requests Dated May 19, 2004

Dear Secretary Cottrell:

As requested by Caroline M. Bulger, Hearing Officer, in her memo to the parties dated June 23, 2004, enclosed is one compact disk containing the Excel files prepared by Unitil in drafting its responses to the Department of Telecommunications and Energy's first set of information requests in the above-referenced docket. Please note that certain files on the disk contain the same CONFIDENTIAL material concerning pricing terms and supplier names as contained in Unitil's responses to these data requests filed with the Department on June 9, 2004. Accordingly, Unitil requests that the files on this disk be considered CONFIDENTIAL and the subject of Unitil's pending Motion for Protective Treatment, also filed on June 9, 2004.

Please do not hesitate to contact me if you have any questions concerning this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary Epler", written over a printed name.

Gary Epler
